

Comprehension is making meaning from text!
USE THE TEXT AND GIVE EVIDENCE.

Chapter Five

1) **From pages 34/35**, Aria packs a backpack, **circle the two** items that she **does not** include:

sleeping mats | dried fruit | bow and arrow | pocket knife | flint stick | water jugs

2) **Order** these events by **numbering them 1 to 5**:

They set off through the jungle towards the mountain.

The ground gets steeper and rockier.

Sweat streams down Finn's back and his t-shirt clings to his body.

The vegetation starts to thin.

The vegetation slows their progress.

3) **On page 36** it says "a narrow path is hewn into the rock face", what does hewn mean?

4) Finn slips down the steep path. **Write one word** that shows he is worried for his safety:

5) **On pages 36/37** we see a new side of Aria's character. How is this different to her role in previous chapters?

6) Find **one word** that shows Aria is not keen on entering the cave: _____

7) **Look at page 38** and state if the following are true or false:

Breakfast is a handful of berries and nuts dad has packed. _____

There are snakes on the side of the mountain. _____

They walk all day. _____

8) **Find and copy** the **simile** used to describe the waterfall:

9) **From page 38/39**, connect these sentences so they make sense:

As I get closer to the pool,
I can't make out the words,
It's a relief being able to talk about my abilities

but I know it 's fish in the pool talking to each other.
without worrying if they'll think I'm weird or insane.
my head fills with a chattering noise.

10) What are Aria, Dad and Finn looking for as they search near the waterfall?

11) **Find and copy** the **sentence** that shows Finn is being drawn towards the waterfall:

12) **Summarise** the ways you have seen evidence of Finn's powers in this chapter.

13) **Predict** what you **think** will happen in chapter six:
